✓ No record found

No import or export records found

## Damage

Has this vehicle been damaged in the past? What was the value of the damages?

No damage records found

### Damage records

✓ No damage found

Occasional inaccuracies can occur, especially when checking older vehicles. Underground repair shops may illegally disguise vehicle defects or damages, not recording their existence anywhere. Sometimes, even vehicle VIN plates may be replaced. We have a variety of methods to detect even such crimes, but it's impossible to provide a 100% guarantee.

## Specs & equipment

What specs and equipment are on record for this vehicle?

 Check whether the specs and equipment of this vehicle match the facts given by the seller.
